

# Q-BA-MAZE™ 2.0

The Next Generation Marble Maze

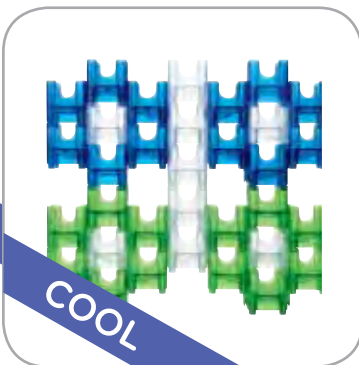

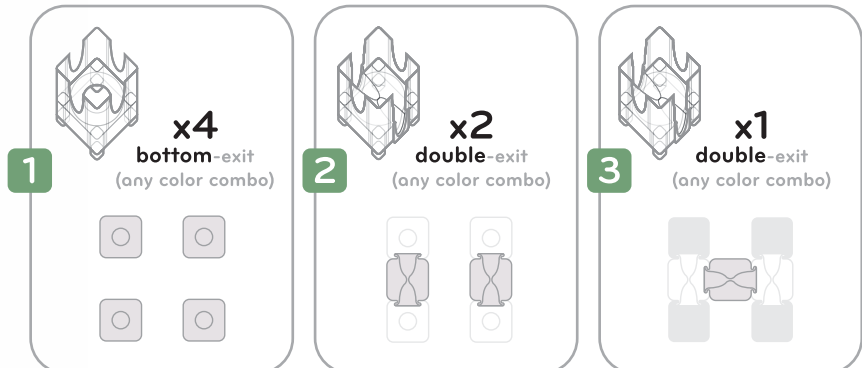

This is not your ordinary marble run! The unique cube design and sliding side connectors allow your marble maze to take on surprising shapes from fish to flowers and parrots to palm trees! The precision engineering of the double exit cube and the excitement of no "dead ends" leaves everyone wondering which way the marbles will go!

Each color has  
**3 kinds of cubes**

## The Simple Seven Base

simple building base using only 7 cubes

36 Cubes & 14 Balls = 50pc

72 Cubes & 20 Balls = 92 pc

36 Cubes & 14 Balls = 50 pc
